

March 12, 2015

Aloha!

On behalf of the US Committee of the Council for Security Cooperation in the Asia Pacific (USCSCAP), I would like to invite you to attend our upcoming Study Group on Nonproliferation and Disarmament in the Asia-Pacific, scheduled to take place at the Corus Hotel in Kuala Lumpur, Malaysia on April 6-7, 2015, with an opening dinner on April 5.

Chaired by CSCAP Vietnam and USCSCAP, this meeting will be held immediately before the ASEAN Regional Forum's Inter-Sessional Meeting on Nonproliferation and Disarmament (ARF ISM/NPD) that will be held in Kuala Lumpur on April 8-9, 2015. Representatives to that seminar are welcomed and encouraged to arrive in Kuala Lumpur early to take part in the workshop deliberations. Our agenda is attached.

The co-chairs are prepared to cover all local costs for one designated representative from other CSCAP member committees for three nights in Kuala Lumpur. If you are planning to attend please complete the attached registration form no later than March 20, 2015. We do have some limited funding available should assistance be required to cover additional lodging or other travel costs. If so please contact us to make prior arrangements. All participants will attend in their private capacities.

We expect that our discussions will serve to complement those of the ARF ISM on Nonproliferation and Disarmament and be beneficial to all participants. Again, we hope that you can join us for the workshop. Please contact Jesslyn Cheong (Jesslyn@pacforum.org) or Carl Baker (Carl@pacforum.org) if you can join us and/or if you have any additional questions about this meeting. We look forward to seeing you in Kuala Lumpur.

Sincerely,

Ralph A. Cossa
President, Pacific Forum CSIS
Executive Director, USCSCAP
