9:15 **Session 5 - Harmonisation towards Standardisation?**

ASEAN figures prominently in most of the region's primary security-related processes (ARF, ADMM, ADMM Plus and EAS and has functioned as the "enabler" for these processes to take root. However, questions abound if ASEAN has the capacity and political will to drive these processes. This session aims to analyze the role of ASEAN in regional security architecture.

Chair
CSCAP India
