

COUNCIL FOR SECURITY COOPERATION IN THE ASIA PACIFIC

Third Meeting of the CSCAP Study Group on Energy Security

Singapore

October 25-27, 2015

Agenda

Sunday, October 25, 2015

18:00 **Welcome Dinner**

Monday, October 26, 2015

8:30 **Registration**

9:00 **Welcome Remarks by the Co-Chairs**

Review of the first and second meetings of the Study Group

9:15 **Keynote presentation on nuclear safety, security and safeguards in the Asia-Pacific**

Dr Olli Heinonen

RSIS Distinguished Visitor

Former Deputy Director-General of the International Atomic Energy Agency, and Senior Fellow at Belfer Centre for Science and International Affairs, Harvard University

10:00 **Coffee Break**

10:15 **Issue-generation stage of the scenario planning exercise**

Study group members will use the RAHS online software programme to identify and post security issues for the four topics on energy security: (1) Oil, gas and coal; (2) Nuclear energy; (3) Renewable energy and (4) Unconventional energy sources. They will also be expected to post comments on the issues identified by their fellow members.

12:15 **Lunch**

13:30 **Continuation of the issue-generation stage**

15:15 **Coffee Break**

15:30 **Discussion on key drivers and scenario building exercise**

Study group members will identify and deliberate on the key drivers for major issues identified for each of the four topics on energy security. The key drivers must be related to the prospects for enhanced cooperation and coordination on balanced energy mix to support environmentally friendly, sustainable, secure and affordable energy sources.

Members will also discuss future scenarios on energy security and regional cooperation based on the key drivers and issues identified.

17:30 **Session adjourns**

18:00 **Dinner**

Tuesday, October 27, 2015

9:00 **Continuation of scenario building exercise**

10:15 **Coffee Break**

10:30 **Discussion on policy recommendations to be included in the Memorandum**
The Study Group members will propose tangible policy options as a result of the scenario building exercise.

12:30 **Meeting Adjourns and Lunch**
