

10th CSCAP GENERAL CONFERENCE

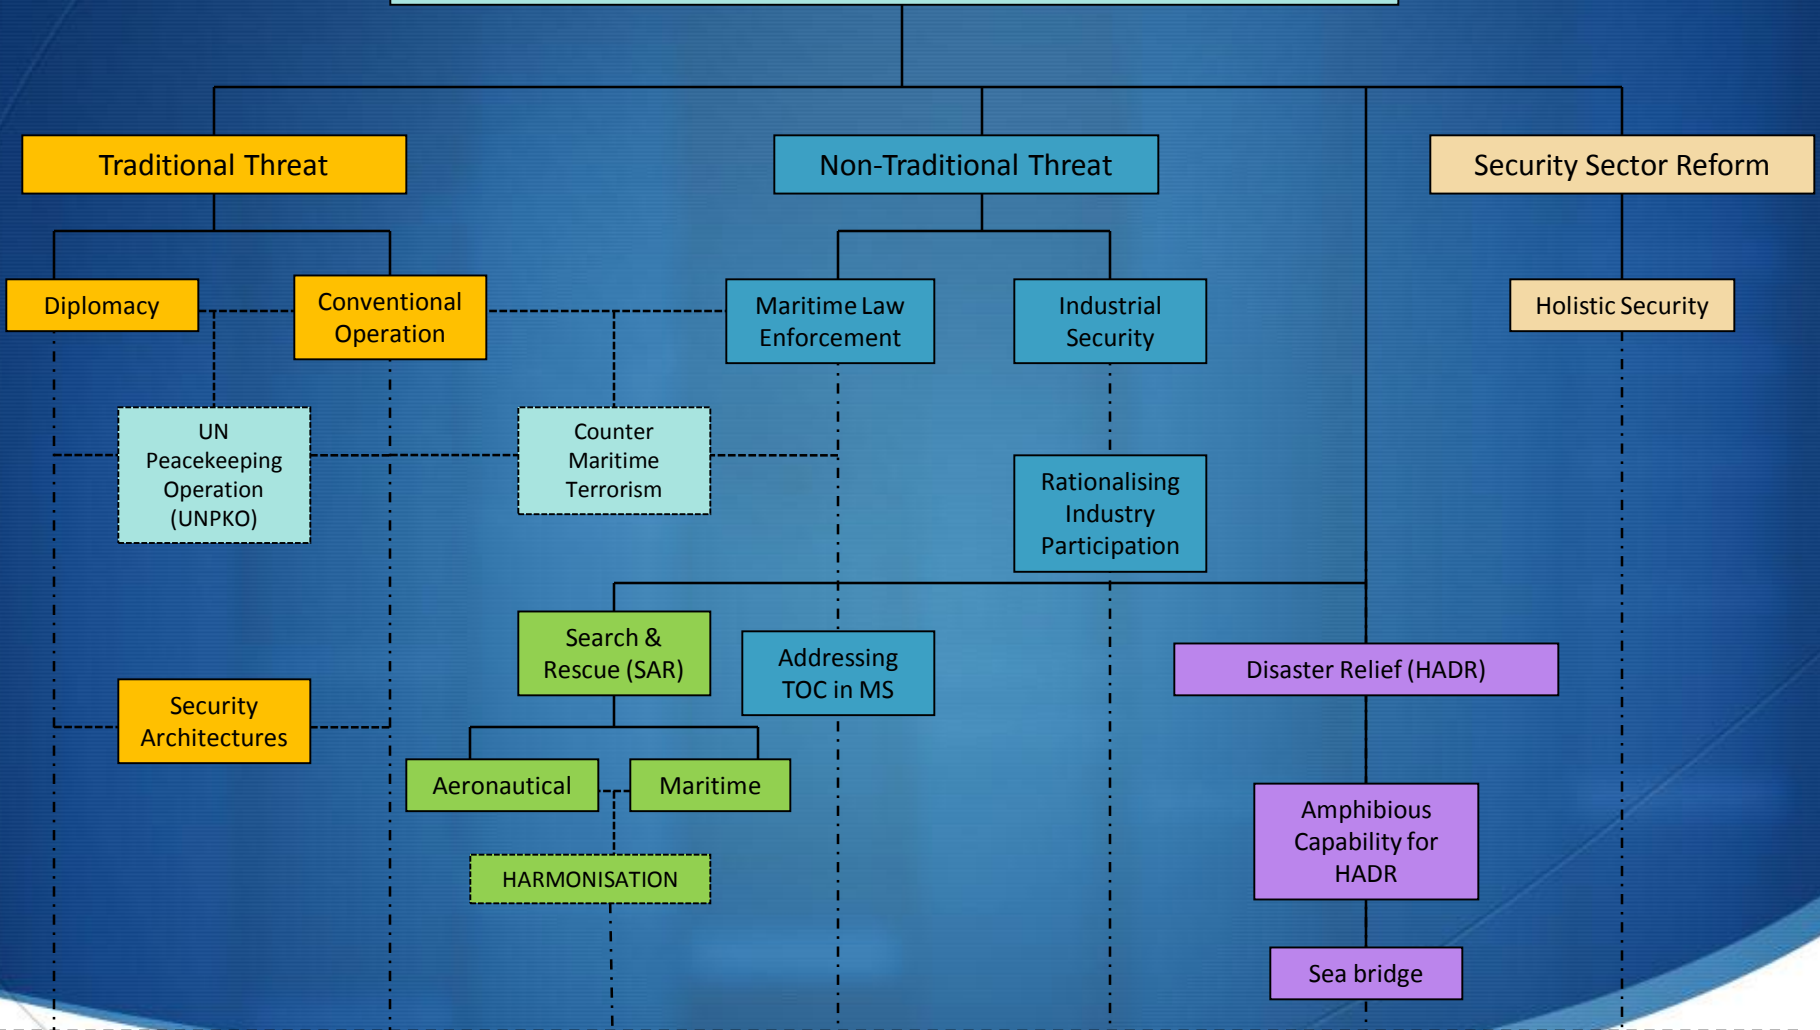

CONFIDENCE BUILDING IN THE ASIA PACIFIC – THE SECURITY ARCHITECTURE OF THE 21ST CENTURY

A MARITIME SECURITY PERSPECTIVE

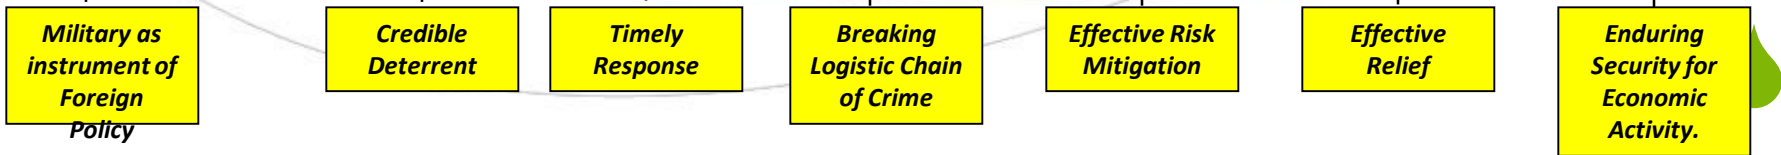

Capt. Martin A. SEBASTIAN RMN (R)
Centre Head/Fellow
Centre for Maritime Security and Diplomacy
MIMA/MALAYSIA

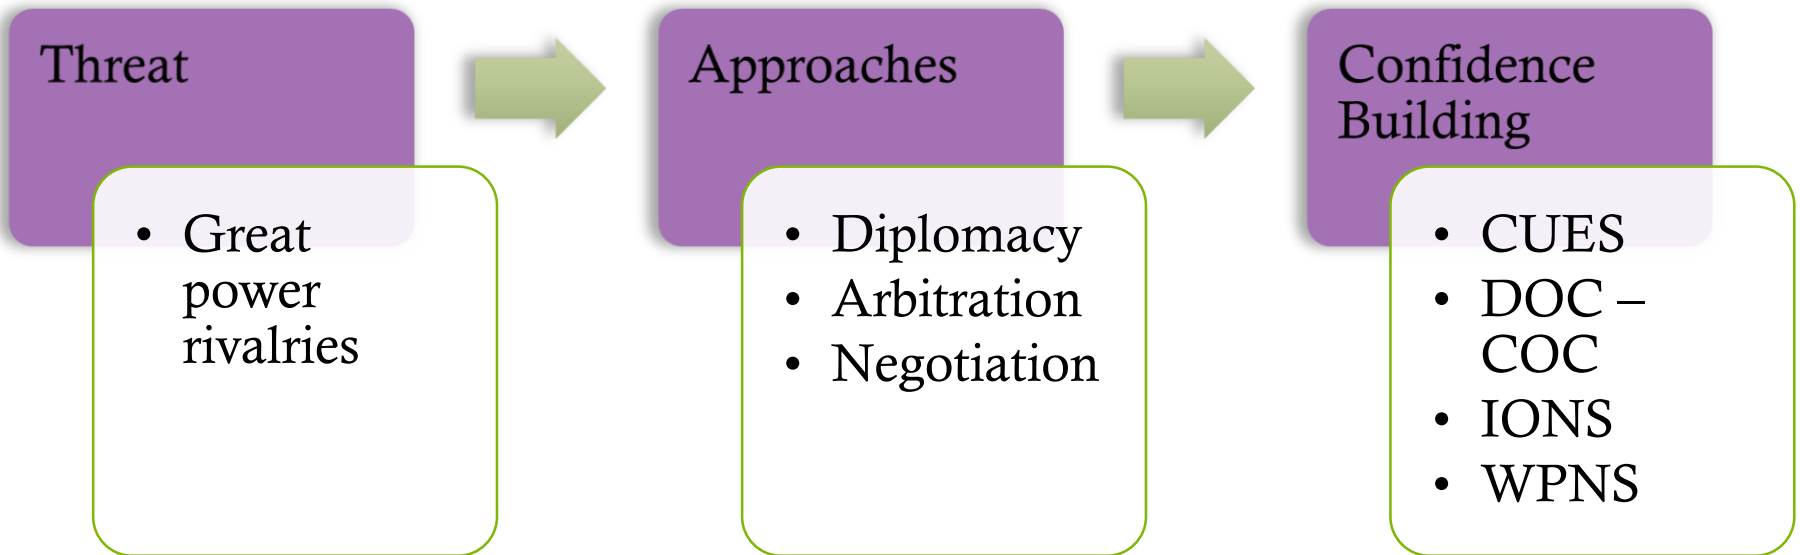

MARITIME SECURITY APPROACHES

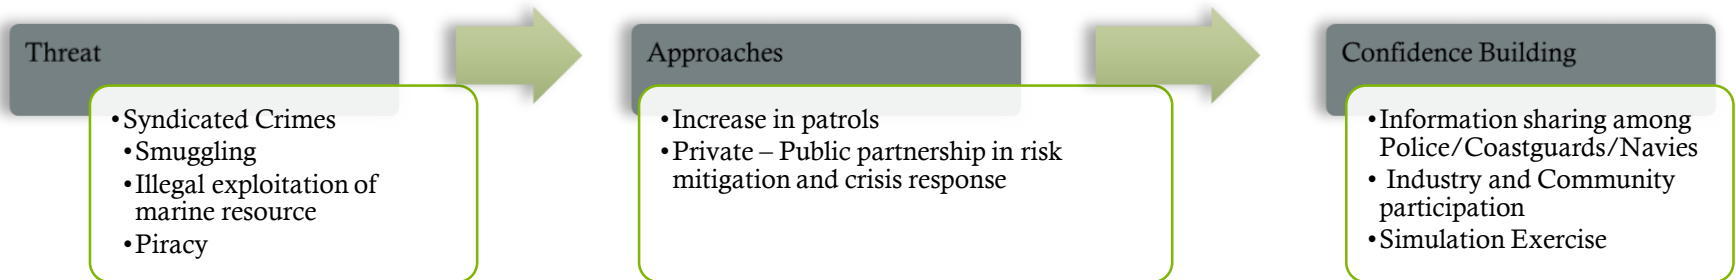

GOALS

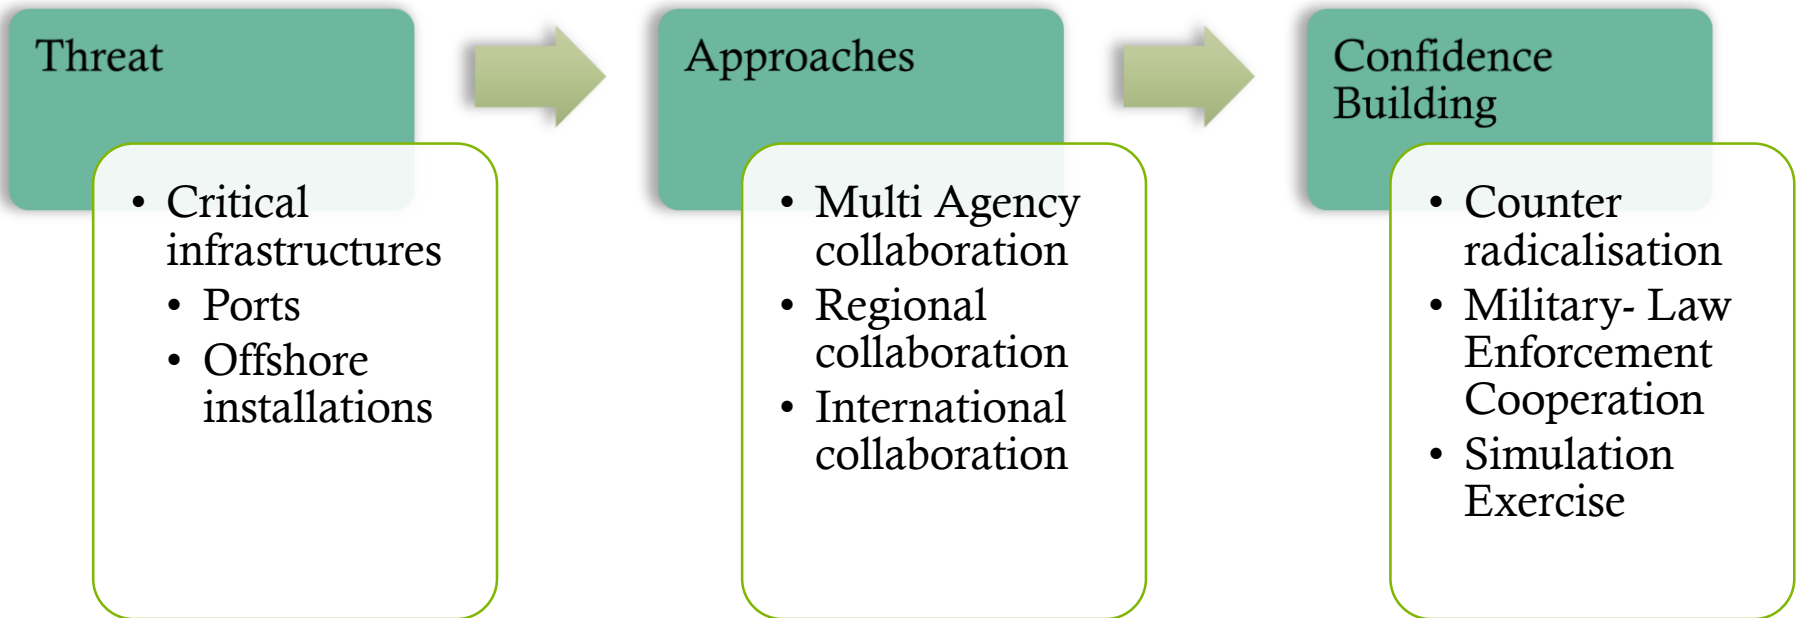

TRADITIONAL

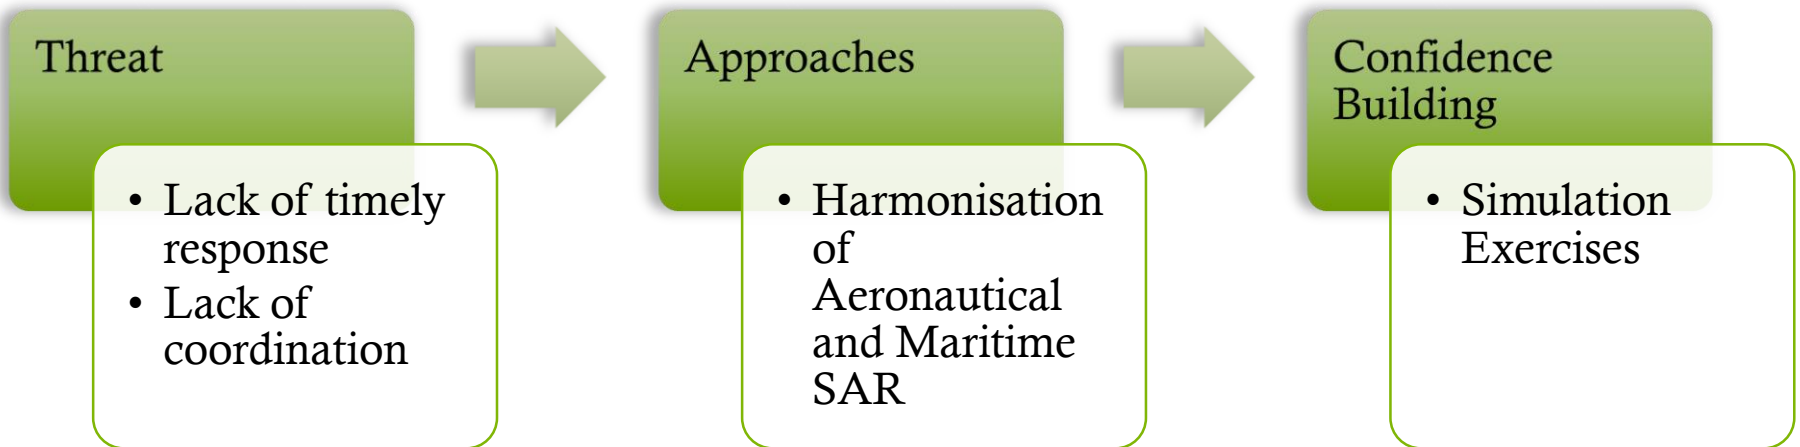

NON TRADITIONAL

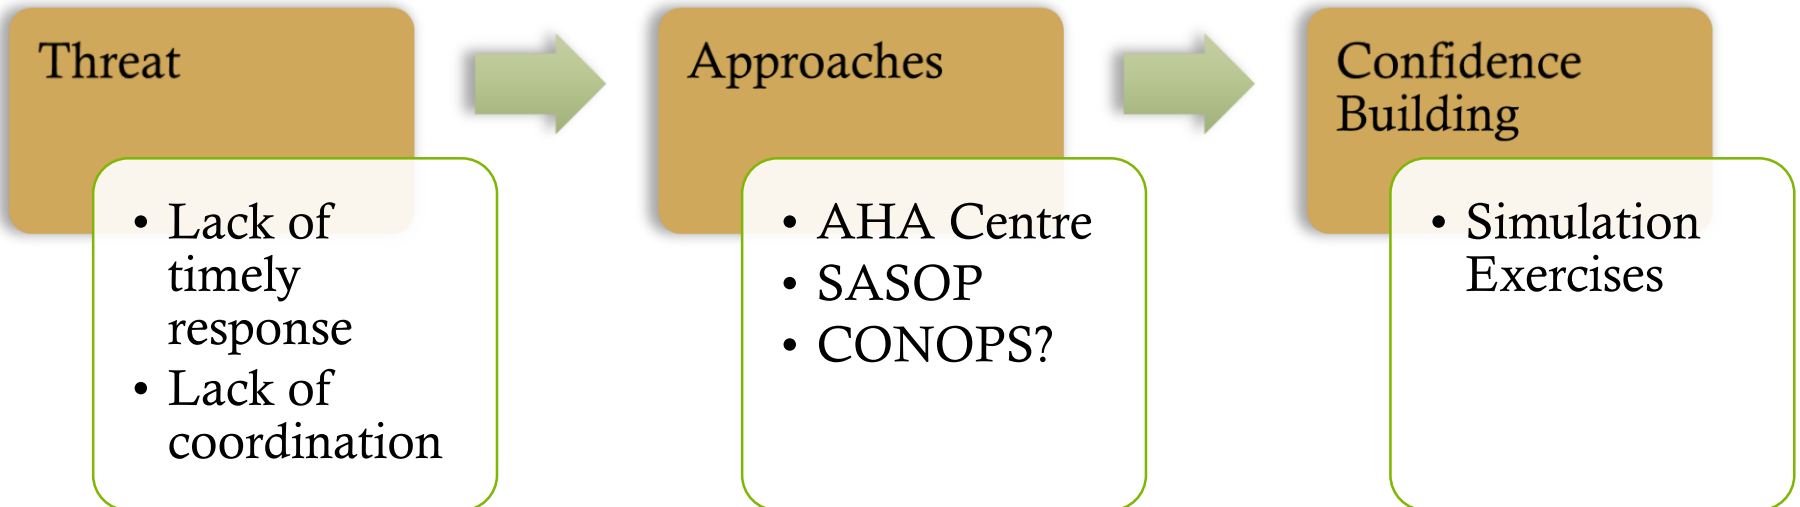

Maritime Terrorism

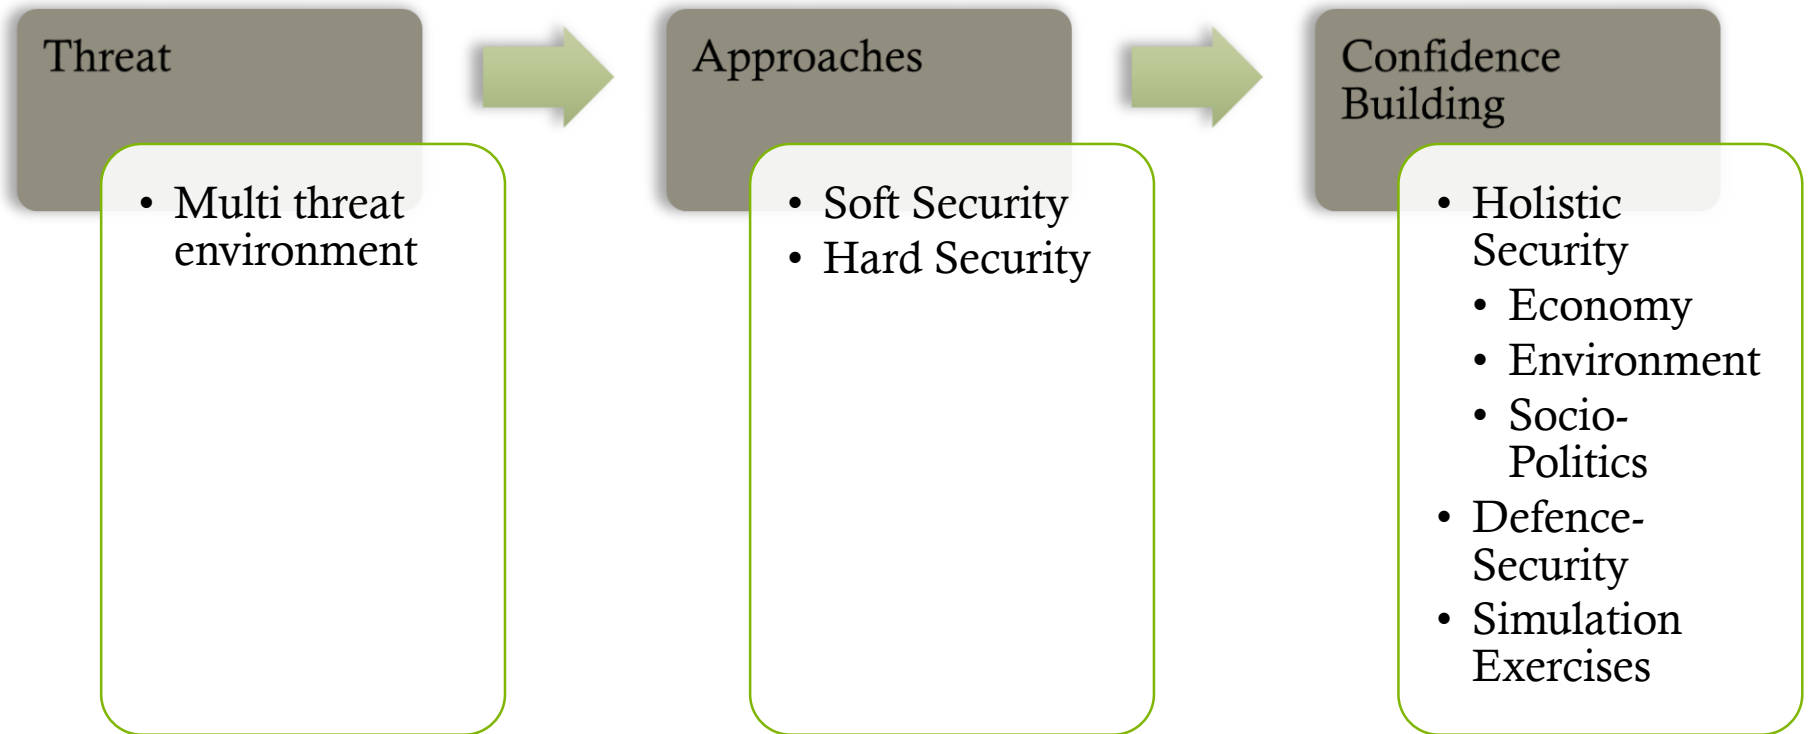

SEARCH AND RESCUE

Disaster Relief from the Sea

SECURITY SECTOR REFORMS

Simulation as Confidence Building Tool

- ◆ Brings a range of participants to an almost real time scenario
- ◆ Big Picture view for Stakeholders
- ◆ Opportunity to develop flow charts as Contingency Plans
- ◆ Opportunity to identify practical steps towards effective implementation of actions
- ◆ Addresses unnecessary duplication and management of scarce resources

THANK YOU

SEBASTIAN@MIMA.GOV.MY
